STRAWBERRY PLANTING TIME

August to November

CONDITIONS GOVERNING THE SALE OF POT-GROWN STRAWBERRY PLANTS FOR FALL SEASON, 1947. (ORDER EARLY)

Shipments of pot-grown Strawberry plants will be made from late July until November. It is satisfactory to plant Strawberries in the latitude of New York and further south until early November.

All orders will be filled depending on weather and crop conditions. For this reason we reserve the right to refund all remittances after orders have been accepted.

All orders will be filled in strict rotation only and **we cannot accept any orders that request delivery on specified dates**. We will make every effort to complete all orders that we accept, but due to unprecedented abnormal conditions we cannot be responsible for the length of time consumed in transit, and inasmuch as all shipments will be made by **Railway Express only** they should be inspected on delivery, and if damage such as breakage, rotted foliage, etc., is apparent, immediate claim should be made with the **local express agent**.

COLLECTION of 6 different colors \$ 9.00

COLLECTION of 12 different colors 15.00

SELECTED SEEDLING IRIS OFFER (F. W. Cassebeer)

(GOOD UNTIL SEPTEMBER 15TH)

These selected seedlings are a mixture. They will be labeled as to color. All of these seedlings are extremely satisfactory varieties, and have not been introduced under name only for the reason that they are too similar to existing varieties. We have sold this collection with great satisfaction for many years. \$7.50 per doz.; \$50.00 per 100.

Special Collection of New Named Varieties

One each of 6 varieties of recent introduction named, each one a separate color. Value approximately \$10.00. COLLECTION PRICE, \$5.00.

AN EXCLUSIVE MAX SCHLING 1947 INTRODUCTION

MARIE ANTOINETTE. (K. Smith, 1947.) A beautiful bi-color, soft lavender standards, falls deep velvety blue-purple edged soft lavender. Most striking when planted in combination with yellow varieties as Katy or Sally Ann. Price, \$10.00.

OTHER EXCLUSIVE MAX SCHLING INTRODUCTIONS

Thunderhead. (K. Smith, 1946.) A welcome addition to the Iris family for its pleasing form and intense purity. Glistening pure cloud-white, light orange beard. Long blooming season. Each \$8.00.

Edith Rorke. (K. Smith, 1946.) Winner of a Highly Commended Award, American Iris Society, 1945. Blue and white Plicata; a vigorous grower. Especially attractive in a clump planting. Each \$10.00.

Admiration. (K. Smith, 1946.) Large blooming medium yellow. Especially strong, rain-proof substance. Each \$15.00.

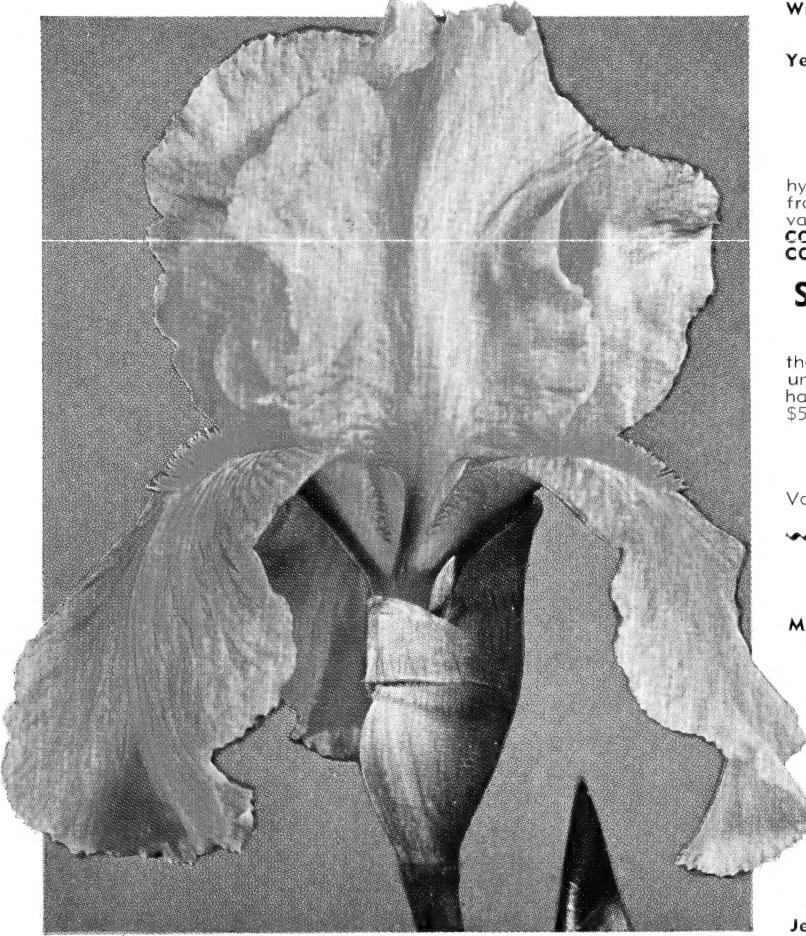

Jewelite. (Cassebeer, 1945.) Bronzy orange-salmon suffused pink, lavender and yellow. A gorgeous combination that has never failed to attract expert commendation. Each \$10.00.

Lovely Melody. (K. Smith, 1945.) A pale yellow Plicata suffused pink. A lovely blending of colors, especially effective as a cut bloom under artificial light. Each \$10.00.

Katy. (K. Smith, 1944.) A lovely cream with soft golden orange beard. Slightly taller than Sally Ann and blooming over almost as long a period. A perfect companion for Violet Symphony. Each \$3.50.

Rajah. (K. Smith, 1944.) A short, stocky variety ideal for the perennial border. Standards are deepest golden yellow with chocolate-purple falls. An outstanding bicolor. Each \$3.50.

Sally Ann. (K. Smith.) Our best introduction to date. A premium Iris with the longest known blooming period of any existing variety. We timed a full 4½ weeks bloom from Sally Ann which is a record. The color is a lovely deep buff-yellow self with unexcelled substance. In our trials we have rated it No. 1 yellow to date. A dependable fall bloomer as well. Each \$5.00.
